

Walden

How To Order

1. State Quantity
2. Specify Model Number
3. Select The Molding (if applicable):
Walden WDM
Without Molding WOM
4. Wood Species is Walnut.
FSC certified veneers available upon request.

Select Standard Walnut Finish:

Paprika
Toffee
Tuscany
Amaretto
Sienna
Espresso
Mocha

5. Specify Options

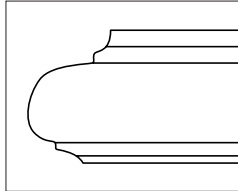

Listed by each product group are options specific to those items. Options with an asterisk (*) are mandatory to make an order complete. Items without an asterisk will be made standard if not otherwise specified.

Laminate Top Option:

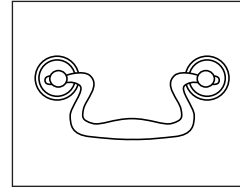

Black Granite L1
Sandstone L2
Light Stone L3
Greystone L4
Call Jofco to verify matching finish laminate.

Example:

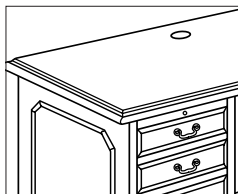

(4) F4072.Walden Molding.Tuscany.

following pages.

Without Molding
Use WOM pricing column
on following pages.

Tackboard and Tasklight are Standard

Stocked Pattern is Momentum Hue in Black, Char, Latte, Indigo, Fern or Dandelion. Additional patterns in the Jofco library can be found on pages 8-9.

Tasklight is dark metallic silver

Walden

Materials

All exterior surfaces of cases are walnut.

All wood is thoroughly air-seasoned before kiln drying and the moisture content is controlled to 6-8% at time of assembly.

All face veneers are flat cut and book-matched to ensure consistency of grain pattern. They are carefully selected for uniform appearance, figure and color.

All top veneers are reverse slip-matched.

All tops, panels and drawer fronts are to be glued with moisture resistant resin glues in a hot plate press. All assembly glues shall be non-organic and of polyvinyl acetate type.

Top Construction

Tops are 3-ply construction, 1 1/4" thick with hardwood rims.

All tops are securely fastened to cabinets by screws driven through interior framework.

Case Construction

Construction is full mortise and tenon.

All panels are 3/16" thick and 3-ply construction. Approach side of desk has a recessed middle back panel, securely fastened to each pedestal.

Pedestals are enclosed at bottom by a 3/4" base platform, securely fastened with screws.

Arm slides are 3-ply construction. They are banded on the front and two sides with solid lumber.

Drawer Construction

All drawer fronts are 5-ply construction with poplar core. Veneer grain runs in a vertical direction.

Drawer sides and backs are wood with top edges of sides completely rounded.

Veneered bottoms are framed into grooves on four sides. Bottoms are then glued, stapled, and reinforced with hand-fitted glue blocks.

All drawers are hand-fitted and equipped with heavy duty suspensions, which provide smooth, quiet, effortless closing.

Center drawers are standard on all desks. A solid hardwood pencil tray is provided in all center drawers.

Locking

Central locking is standard in all desks.

Locks on all desks are located in center drawer which locks both pedestal and center drawer.

Tackboard Textile

Tackboards are standard on most overhead storage 36" and wider.

Standard tackboard textile is Maharam Milestone in colorways listed below.

Colors:

Lychee

Ebony

Bison

Embrace

Vetiver

Pewter

For overhead storage without tackboard, please indicate 'no tackboard' rather than leave blank. There is no change in price.

Modification Pricing

Add modification pricing to list price.

Grommet, field installed \$38 each

Grommet, factory installed \$159 each
