

Jofco | **BroadCast Guest**
CSD Studio

Smooth curves and graceful arc arms converge to create an eloquent guest seating solution.

Four back options available: intricate wood detail, full or partial upholstered, or wood reveal with upholstered insert.

The beautiful maple frame adds a balance of symmetry and syncopation.

BroadCast, complete with coordinating tandem and occasional tables, is an integrated seating family.

BroadCast Guest makes a perfect companion to Jofco's casegoods offering.
