

Avia Features

Executive, Conference, and Task Seating

Avia is available in three swivel styles: executive, conference and task. The executive swivel offers a high back and mid back height with multiple arm styles: upholstered arm cap, textured urethane arm cap and adjustable arm. The conference swivel has two arms styles: the upholstered arm cap and textured urethane arm cap. The task chair features a low back with or without adjustable arms.

Avia Specifications

Executive & Task Seating

Mechanism

Synchro-tilt mechanism provides a synchronized ride that cradles the occupant as they recline, along with the ergonomic benefit of a reduced front edge seat rise.

21 degrees of tilt travel allows user to achieve a wide variety of positions.

5 position tilt lock includes an anti-kick-back safety feature and is easily accessed from the side.

Tension control with side activated, telescoping handle offers a comfortable way to regulate spring force.

Gas assist lift has easy, side access to seat height adjustment paddle with a 4" range from 16" -20".

5 positions of back height adjustment. (refer to specific models for availability)

Side activated seat slider with spring return allows 2-1/2" adjustment of seat depth.

Base

Silver powder-coated or black nylon 5-star base with dual wheel casters

Arms

Powder-coated arm with arm pad creates a modern aesthetic; adjustable arm allows for maximum user comfort.

Construction

Frame interior is molded ergonomic plywood. Seat interior is high resilient, multi-density foam. Back interior is high resilient, multi-density foam with foam lumbar support.

Conference Seating

Mechanism

Two-piece mid-pivot swivel tilt seating provides a synchronized ride that cradles the occupant as they recline, along with the ergonomic benefit of a reduced front edge seat rise.

20 degrees of tilt travel allows user to achieve a wide variety of positions.

Features a dual function, combination lever to activate the gas lift and tilt lock functions.

Base

Silver powder-coated or black nylon 5-star base with dual wheel casters.

Arms

Powder-coated arm with upholstered arm rest creates a modern aesthetic.

Construction

Frame interior is molded ergonomic plywood. Seat interior is high resilient, multi-density foam. Back interior is high resilient, multi-density foam with foam lumbar support.
